TRANSLATION: NARU-KUN / K-PROJECT WORLD

Jingi: Glup-glup... Aaaaaah... Drinking a beer at the end of the day is the best!

Yukito: Aah...

Jingi: What's with that angry face?

Yukito: It's been a hard day for me. Someone somewhere, he put me in a bag and kidnapped. I was also thrown at a monster called Aramitama.

Jingi: Hahahaha...wasn't that an exciting day?

Yukito: Where...? Now that I think about it... I wanted to ask you well. What exactly is a Mitama?

Jingi: Mitama? Well, he's a harmless guy like the one over there.

Yukito: What should I say instead? I want to know more specifically!

Jingi: Ah, I see. That's Mitama.

Yukito: What?

Jingi: Good feeling, kid.

Yukito: I'm asking you a serious question, so please explain correctly! You have become my teacher, right?

Jingi: Even if you're a nice guy, you're a nice guy.

Yukito: I have no idea!

Jingi: Is that so? So... It's about something that's fluffy and shiny.

Yukito: It's not about how you see it. Is there something else? For example, look... a spirit or a messenger from god?

Jingi: Yeah, so...

Yukito: So...? Aaah... Was it really good for me to become this person's disciple?
