

"AYAKA" (AUDIO DRAMA 05)

TRANSLATION: NARU-KUN / K-PROJECT WORLD

Ibara: Makita, I'm leaving now.

Taihei: Hm? Oh, you're going to visit the grave today. Go carefully.

Ibara: I understand. I'm leaving then.

Taihei: Oh, yes, wait, Ibara. Come on, get your key out.

Ibara: My key?

Taihei: Come on, put this on it.

Ibara: Huh? A keychain?

Taihei: It's from my restaurant. GOZ's mascot, GOZ Futaku. He is someone devoted. I did it because they told me that "From now on, it's a character business."

Ibara: Nothing was sold...

Taihei: Haha, that's all. Sorry for the unsold. Today, this guy is the representative of all of us at Ayaka Security. Say hello to your father and mother for me.

Ibara: I understand.

(On the sea train from Ichinoshima to Ninoshima.)

Ibara: I have to introduce you to the two of them... Dad, mom, this is GOZ Futaku. He is a friend. A partner in GOZ. Dad, mom, I... *Deep breath* ...I'm fine, I have a team. I can fight even if I'm alone.
