

"AYAKA" (AUDIO DRAMA 07)

TRANSLATION: NARU-KUN / K-PROJECT WORLD

Sanji: Hmgh... (Sleeping.)

Makoto: Hey, Sanji. Things are negotiable.

Sanji: Again, Makoto. So what did you break this time?

(Another day.)

Makoto: Hmm, Sanji.

Sanji: Again, Makoto. Where do I apologize? Oh, don't run away, come with me.

(Another day.)

Makoto: Inou Sanji-sama! Wish you all the best!

Sanji: Makoto again, how much has the account accumulated... I mean, how many times has he done the same thing?

(Reality.)

Sanji: Ugh... Absolutely... I'm in trouble, man... (Sleepily. Phone rings.) Huh?! Ah, yes, this is Inou speaking!

Ibuki: I'm sorry, Inou-san. I have something to consult. Again, Aka-kun. So what did you break this time?

(Another day.)

Kurama: Hmm. Uh, Inou-san...

Sanji: See you soon, Haruaki-kun. Yako-kun or Chatarou-kun, who did you offend today?

(Another day.)

Jingi: Inou Sanji-sama! Ah, I ask for your help! Have mercy on this poor man!

Sanji: Again, Jingi-kun. How much have you accumulated on the bill? I mean, how many times have you made it to the end?

(Inou hangs up the phone.)

Sanji: You really did leave your troublesome children behind, Makoto. It's like you're still alive.
