

"AYAKA" (AUDIO DRAMA 12)

TRANSLATION: NARU-KUN / K-PROJECT WORLD

Momoko: Jingi-chan, I'll be going to the welcoming ceremony soon, but are you sure you won't come?

Jingi: It's okay, when I went to his school before, he really hated me.

Momoko: I guess you drank alcohol and got into a strange relationship.

Jingi: I wonder how it was?

Momoko: Now... if you stay, you won't appear in the memorial photo. It won't do to complain later.

Jingi: I won't, why would I be with those kids?

Momoko: Well, then I'm leaving.

Jingi: Okay.

Momoko closes the door.

Jingi: I have time. Yukito isn't here today either. Seriously, I have nothing to do.

I mean, what will happen...? I guess I didn't think about what would happen next if I survived.

I have no plan to live.

Well, I was able to talk to my master for the first time in a long time, right?

I'm going to ask my incompetent brothers!

I'm a big brother too, right? Well, here I am like a big brother.

Should I show my face at the welcoming ceremony? Hmm, hmm, hmm. Puwah!

I guess it would be a good idea to suddenly include me in a commemorative photo, hehe.

Jingi closes the door and leaves.
