Survival activities during the event. Interview with "Idol King" Reisi Munakata!

The other day, the "Sprint Dream Live Tour" sponsored by "Promotion Scepter 4" was successfully completed. On the first day of the performance, we got the information that "Idol King" Reisi Munakata saved lives. To find out the truth, we tried to interview Reisi Munakata directly!

What was it like to jump onto the stage? (Munakata)

--- Thank you for listening to our urgent request for coverage today.

Reisi Munakata: No, it doesn't matter. I always try to be an idol who is not ashamed of anyone. I will answer any questions from fans.

Seri Awashima: I will review the article.

--- Thank you. Well then I would like to ask you about the live tour the other day.

Munakata: Fortunately, the "Sprint Dream Live Tour" was able to record the highest number of mobilizations to date. This is also due to the help of fans and the cooperation of Awashima-kun and other idols who belong to this place.

Awashima: Excuse me.

--- On the first day of the live tour, the performance of covering the top of the Tsubakimon Dome with a cloth bearing the company emblem "Promotion Scepter 4" attracted a lot of attention.

Munakata: That was an idea that Fushimi-kun from "Shoumutai" had in mind, which was originally an unplanned production.

Munakata: I was not there. I was above the sky.

--- Above the sky?

Munakata: That means...

Awashima: President Munakata always looks at the world of idols from the top of the sky, like a bird, no, look at the whole country. It means that the performance started with that feeling.

Munakata: At that moment, I felt like I was jumping off the stage.

--- Even an idol like Munakata is nervous.

Munakata: Well, actually, I jumped.

--- What?

Awashima: President.

Munakata: This is a joke.

Our goal is human ideals. (Munakata)

--- Did you hear that there was a fire in a hotel near the Tsubakimon Dome on the first day of the performance?

Munakata: I know. I also kept in touch with the nearby fire department and police station, but decided there was no danger in the live performance and decided to go for it.

--- There is a testimony that it was none other than Munakata himself who came to the rescue at the scene of the fire.

Awashima: That's true. In a crisis situation, memory is hazy. Perhaps he mistook the appearance of President Munakata, whom he saw somewhere, for a savior.

--- It is said that she and her son were tied to his body and jumped with a parachute.

Awashima: Poor. It was really scary, wasn't it?

Munakata: For me too, in a word.

Awashima: President, how superfluous!

--- Please.

Munakata: I have not rescued you, but if I found myself in such a situation, I would help she without hesitation.

--- Why?

Munakata: Because we are targeting for a reason, not just a celebrity. We are willing to expose ourselves to the dangers of others. The world will be better if all human beings are like that.

--- The longing is great.

Munakata: No, it is a family story. If my words and actions remain in someone's heart, I'm fine.

The interview ended without confirmation of the rescue of Reisi Munakata. The only thing I can say is that Reisi Munakata is undoubtedly a non-standard idol.
