

“SIX IDOLS - INTERVIEW WITH THE IDOLS” (YATA MISAKI)

TRANSLATION: NARU-KUN / K-PROJECT WORLD

The "red prince". Yata was really terrified. The front and back of "Homura Entertainment Office".

"Homura Dokkiri" in "Shirogin Deluxe" which aired last month has become a hot topic. Anna Kushina's great acting quality and Misaki Yata's good reaction made it a huge success. Let's interview two idols of the group!

--- Congratulations on the great success of "Homura Hidden Camera".

Misaki Yata: Thank you... No, I'm not happy at all.

Anna Kushina: Thank you.

--- This project was broadcast in "Shirogin Deluxe", but who was the idea of the project?

Yata: Kusanagi-san. That person has connections here and there, so it's easy to incorporate such a project. I think it's about people...

--- Is that kind of thing common?

Yata: Well that's correct. If "Homura" finds it exciting, I'll do anything from singing to dancing to variety shows. Kusanagi-san's eyes have good judgment, so I trust that area.

Kushina: It was the first time I was surprised, so it was fun.

--- Kushina's ghost quality has the reputation of being far from an idol.

Kushina: Thank you (bows). I did my best, so I'm glad everyone is happy.

Yata: No, Anna, I was scared, it was strange! I still don't know why she was glued to the ceiling like that!

Kushina: I tried my best.

Yata: Can you do that with your best effort?!

As a professional, you must confirm your work correctly. (Kushina)

--- What do you think of your reaction?

Yata: ...No, I don't know.

--- What do you mean?

Yata: I haven't seen the broadcast. Why is that the right thing to do? Why do I have to look back to see where I am afraid?

Kushina: As a professional, you must confirm your work correctly.

Yata: Yes, well, maybe it's true! When Anna says "as a professional", don't hurt me.

--- Actually, here is the VTR of this transmission. Please take a look and give us your impressions.

Yata: No, why did you bring it?

Kushina: Misaki.

Yata: Damn, I get it! I will look at it.

Some people don't know. (Kushina)

--- As was?

Yata: I wonder if this kind of thing was broadcast across the country. Don't pass it again...

Kushina: It was interesting, so it's good.

Yata: That's why it's crazy! Well, I hope the fans are happy.

--- Kamamoto-san and Kusanagi-san from the same office also turned to the side.

Yata: That's what I don't like! Why are we friends even if we have seniors and juniors? Doesn't your heart hurt to cheat on a person like this?

Kushina: Sorry...

Yata: No, I didn't mean Anna. Oh, I can't do it anymore.

--- I heard that Kusanagi-san is also preparing a second and third impressive projects.

Yata: Will that be normal for me? Damn, they'll never cheat on me next time!

Kushina: That?

Yata: What is it?

Kushina: VTR, here. Some people don't know.

Yata: ...?!

--- Oh, there is a white figure here. That also seems to be a hot topic. Although it was an impressive project, the real ghost was reflected.

Yata: Aaaaaaaaaaaaah?!

Kushina: Oh, Misaki?!

The interview ended when Yata-san screamed and jumped out of the room. After that, the white figure left on the VTR turned out to be the shadow of the curtain.
