

**“SIX IDOLS - INTERVIEW WITH THE IDOLS” (FUSHIMI SARUHIKO)**

**TRANSLATION: NARU-KUN / K-PROJECT WORLD**

Saruhiko Fushimi from "Promotion Scepter 4", his appearance on the talk show. What is the hidden truth in the impossible offer?

Saruhiko Fushimi from "Promotion Scepter 4" is known for his hostility, contrary to his high performance. His first appearance on "Idol NEO" was very well received. We tried to interview Fushimi-san directly!

In short, Fushimi escaped. (Benzai)

Akiyama Himori: Nice to meet you. My name is Himori Akiyama and I belong to the "Dream Corps".

Benzai Yujiro: Benzai Yujiro, from the same group.

--- The requested interview was with Fushimi-san.

Akiyama: Yes, I know. He was interviewed by the president, and I told Fushimi today, but... the situation passed...

--- What is the situation?

Benzai: In short, Fushimi escaped.

--- What?

Akiyama: Don't worry. Currently, we are searching for the whereabouts with all the power of "Promotion Scepter 4". We will definitely bring it during the interview time.

--- I see.

Benzai: Until then, we will respond to the interview.

All the "Dream Corps" went to support him. (Akiyama)

--- Well, thanks again.

Akiyama: Thank you.

--- Fushimi-san appeared on the talk show for the first time on "Idol NEO".

Benzai: Yes. It appears to have been an order from President Munakata. Fushimi-san, who had been filming just singing and dancing until then, should be able to speak.

--- What was the intention of that?

Akiyama: The president has an overview that we can't even imagine, so I can only guess. Maybe he expected Fushimi-san to have multiple abilities.

Benzai: As you know, Fushimi-san is one of the most popular in the entertainment world. His potential is high. In that case, I think he wanted to expand it as much as possible. He will also be involved in future developments.

--- What is the future development?

Akiyama: That is a confidential matter.

--- At Fushimi-san's appearance this time, I heard that they both cooperated.

Akiyama: Not just us, but all the "Dream Corps" went to support him. I'm used to Domyoji's place, so he used to play the role of MC.

--- You can see how popular Fushimi-san is.

Akiyama: No, Fushimi-san is hopeless.

Benzai: Well, it is an exaggeration to say that he is hopeless, but the "Dream Corps" aims to deliver high performance to the audience. The same goes for talk shows. Fushimi-san probably accepted our cooperation because he knew it.

It is practical. (Fushimi)

--- I see. So the next question is...

Akiyama: Please wait. I just received a report that Fushimi-san was captured.

--- Capture?

Benzai: Yes. He looks like he was hiding in the office, pretending to be outside. As expected of Fushimi-san.

Akiyama: Oh, it looks like you're here.

Domyoji Andy: I'm sorry I kept you waiting, Catch Fushimi Saruhiko, now, ask any questions you want.

Fushimi Saruhiko: Tsk.

--- Uh, well then, Fushimi-san, that was your first talk show appearance, but was there any secret to success?

Fushimi: It's practical.

Immediately afterwards, Fushimi-san slipped out of Domyoji-san's arm and escaped through the window. The interview was rounded up here because Fushimi's whereabouts could not be discovered despite the arduous search for "Shoumutai".
