As a member of "Scepter 4", he tries to do the best he can. It was unclear to him, but he believes that Munakata had reasons for choosing him, and believes in Munakata by trying to figure out what he means.

However, after retiring, he has a slight dream of opening a store again.

[PERSONALITY, CONDUCT]

A simple and a bit clumsy personality. He's generally quiet, but when it's hot in battle, he tends to get ahead of himself, making it easy to get into him. Perhaps because he has children, he looks at Domyoji and other members of the mischievous group as if he is a tutor.

It's easy to get overwhelmed by emotions and it's easy to think for the sake of others and choose a path that doesn't make him happy.

[ATTITUDE AND THOUGHTS TOWARDS OTHERS]

[TERMS OF THE ADDRESS FOR HIMSELF]

The first person is "Ore" for private and "Watashi" for public.

[TOWARDS REISI MUNAKATA]

He calls him "Captain".

A strange person, however, he is determined to try to explain the cause of it.

[TOWARDS AWASHIMA SERI]

He calls her "Lieutenant".

Excellent boss. He can't tell that he's finished eating Anko.

[TOWARDS FUSHIMI SARUHIKO]

He calls him "Fushimi-san".

While working properly, he makes proper contact with his boss as a subordinate, but in his private life, he sometimes seems like a child because he is the same age as Domyoji. He is secretly worried about unbalanced food.

[TOWARDS AKIYAMA HIMORI, BENZAI YUJIRO]

He calls them: "Akiyama" and "Benzai".

A colleague he can trust. He is respected as a professional on this path, unlike his own background.

[TOWARDS DOMYOJI ANDY]

He calls him "Domyoji".

Roommate and colleague. He is young, but he thinks he is a great guy. However, in his private life, he believes that he is a difficult child, so he takes care of that.

[TOWARDS TATSUYA ENOMOTO, DAIKI FUSE, REN GOTO, AKIRA HIDAKA]

He calls them: "Enomoto", "Fuse", "Goto" and "Hidaka".

He is currently a colleague of the Special Task Force, but before the formation of the Special Task Force, because there was a relationship between the chief and his subordinates, the platoon leader and his subordinates from the Shooting Sword Movement Division, he can still get honorable treatment by dragging him. Like Domyoji's former subordinates, there is a tendency to look at them all together.
