Real name: Ogai Aya

Terms of address: Aya, Ogai

[PROFILE]

Birthday: January 25, Aquarius

Blood type: O

Age: 12 years old (When she appeared in "Lost Small World", 19 years old at the beginning of the second season.)

[APPEARANCE]

Physique: 1.40 cm in height. Small in class.

Face, hair: She has a childish face that even elementary school students can understand, but there are some parts of the face that are similar to Fushimi. Twin tails are tied with a hair clip made from an oyster.

Attire: Hinata Junior High School uniform.

Personal effects: A backpack with rabbit ears, a PDA with a hanging rabbit mascot.

[HABITS, SKILLS]

- Speak in a characteristic tone like "Aya is..."
- It's easy to point people's fingers and make claims.

When she was in the third year of high school, she appeared with glasses similar to Fushimi's. The gesture of wearing glasses is conscious.

[IMPRESSION, OTHER NOTES]

- Often uses "rabbit" and "shellfish" motifs.
- Another "Jungle" avatar. The identifier name for "Jungle" is "Oyster".

[POSITION, OBJECTIVES]

A high school student who attends the same school as Fushimi and Yata. Like Fushimi and Yata, she feels dissatisfied with her current location and is depressed.

Her surroundings look stupid due to her intelligence. She only sympathizes with Fushimi, whom she admits as equal to herself, and she believes that she should sympathize with Fushimi.

[PERSONALITY, CONDUCT]

She hates losing and has great pride. She doesn't like to belittle people who look down on her, but she also has a strong side because she can't make friends.

[FATE, ENDING]

After Fushimi and Yata entered the "Homura", only Aya would enter the depth of "Jungle". Nagare, the "King of "Jungle" gave her a mission, and she worked to get Fushimi out of "Homura", but failed due to Fushimi's counterattack and Munakata's intervention. Her "Jungle" account was stripped. After Fushimi told her "Don't get involved in this world anymore.", she washed her feet, graduated from high school and, in due course, went to a famous university.

She lived an excellent student life with a feeling of emptiness.

Aya is also a resident of "Small World" and was one of the leads who became an adult after experiencing "Lost Small World."

[ABILITIES, TACTICS]

Normal person.

[POWER]

Normal person.

[HOBBIES]

Capture of computer games, programming, reasoning from mystery novels.

Secretly reading love manga.

[FASHION]

Simple clothing like knee-high socks with a border pattern and denim jumper skirts, typical of elementary school students. She thinks it is ridiculous to indulge in fashion that is popular with girls of the same age.

[BODY]

Small and childish.

[INTELLIGENCE]

High. A level that comes in at 30th place in the national exam.

[BELIEFS]

She believes that it is better to get out of a good school with good grades and be socially successful.

[RELATIONSHIPS]

[EARLY YEARS]

Born as Fushimi Saruhiko's second cousin (her father is Niki's cousin, and her grandmother is Saruhiko's grandfather's sister). As the only child of the same age in her relatives, she was compared to Fushimi since she was born.

Her mother was a full-time homemaker and she was jealous of Kisa, who is a wife of the same Fushimi clan, but who is financially independent.

[TIMELINE]

- 1994, Ogai Aya is born.
- 2006, she entered Hyuga Junior High School with Fushimi and Yata.
- 2009, Enrolled in Tsubakigahara Gakuen High School.
- 2010, her "Jungle" account is stripped.

[ATTITUDE AND THOUGHTS TOWARDS OTHERS]

[TERMS OF THE ADDRESS FOR HIMSELF]

The first person is "Aya".

She uses fluttering tones like "...is" and "is what", but intentionally makes characters. She has a normal tone for parents.

[TOWARDS FUSHIMI SARUHIKO]

She calls him "Saruhiko" or "Omae".

This is because she wants to show her rivalry, but she wants Fushimi to acknowledge and see her. However, Fushimi is indifferent to Aya, and only Aya's demeanor is spinning.

[TOWARDS YATA MISAKI]

She calls him "Michakyun" → "Misaki-chan" → finally called "Misaki-kun".

She approaches him kindly, but looks down on him as a person with "normal or subnormal" abilities. It is difficult for her to understand why Fushimi accepted only Yata as an egalitarian friend.
