"No, wait, wait. Wait a minute."

Kusanagi, who was cleaning a glass, interrupted their conversation with a serious look. Kamamoto, who was sitting at the counter, obediently interrupted the conversation. He looks strange and tilts her head, "What is that?"

Kusanagi raised the corners of his eyes.

"What is that" or something like that? What did you say now?"

"So, what is the reason Kusanagi started dressing as a woman when he got drunk?"

"I don't know what that is! Why am I supposed to dress up as a woman when I get drunk?"

"Eh? What?"

The calm Kamamoto turns to Yata, who sits next to him. Yata let go of the cola he was drinking and giggled.

"Kusanagi-san, what kind of things do you say. When I drank at karaoke one day, you were wearing a nurse outfit in a punishment game with the wrong lyrics, right? There's a cosplay outfit in the store."

"That was because I was forced to use it."

"Well, Kusanagi-san was quite drunk at the time, and it was quite incredible. In the end, he put on the bra that Chitose bought."

"That should be ... well, I don't remember what happened at that time..."

"Hey. So, the experience at the time was a kick."

"Wait! What do you mean "kick"?"

Kusanagi puts a glass and puts both hands on the counter.

Aim for the bite,

"Well, Kamamoto. That's just a punishment game. It was just for that moment. That's why it's like being dressed as a woman every time I get drunk."

"Hey? Is different?"

"Naturally? That is surprising?"

"But you say that? Now that's official media. Right, Yata-san?"

"Where's what is half official?"

"It certainly looks like in the neighborhood."

"Where did the neighborhood thing come from?"

Well, Kamamoto says it's not surprising, and Yata is convinced of something. Kusanagi was stunned and blanched.

"No, no, no, no. Wait, wait, wait. It doesn't matter how much you talk about it. First, don't let that story spread. No one knows that punishment game."

"Totsuka-san recorded it and then project."

"He did it. But, I took the movie right after that."

"I don't know the details either, but isn't that just? In the neighborhood..."

"Again! What a neighborhood!"

Kusanagi inadvertently screams.

So,

"Izumo, calm down."

Anna was sitting in the seat at the end of the counter when she appeared. "Anna!" Kusanagi is surprised and looks back.

As Yata and Kamamoto turned to her,

"That's right, she also knows about Kusanagi-san's cross-dressing."

"What cross-dressing, Yata-san?"

"You are using cosmetics that the old women left at home, right?"

"Do you have much, Kamamoto?"

Anna repeats "Calm down." to Kusanagi who is distracted.

"Anna! You can't believe that rumor, right? Why would I dress as a woman every time I get drunk?"

"It's okay."

"Anna! You are good."

"Izumo doesn't get so drunk."

"So much?"

"Now everything is gender-free. With pride."

"Can you hear me?"

"I think Izumo is great if he puts on makeup."

"That kind of problem!"

With a desperate cry, Kusanagi leaned forward in front of Anna.

"Uh, Anna. I may not be drunk in front of Anna, but I don't know why I was drunk, so I'm not dressed as a woman!"

"Karaoke."

"Sure, I could have been a little wrong singing karaoke. I'm a jerk. I dressed up as a joke, then and only once, at that time! Trust me... Anna, why are you getting the marbles out?"

"Appears."

"Oh, what?"

"Bathroom... Men's Association... Privilege to purchase in full volume..."

"Anna, what are you looking at? I asked, so did you say something strange? Guys, Kamamoto! Yata! What do you know about translation and complement each other?"

"Well, Kusanagi-san. If not, that's fine. It doesn't matter what the other guys think."

"Sorry. Yata, Kamamoto, are you trying to put together a story?"

"Well, Kusanagi-san. No matter who says that, we decided not to. Oh, by the way, Kamamoto... I just found a new ramen shop."

"Wait! Ramen? Is it absolutely impossible to finish it? Are you listening to this, both of you!"

"Ramen in salt."

"Anna too! Please ask me about your request."

With Kusanagi hovering in a hurry, the three people begin to blossom during the ramen discussion.

After that, Kusanagi continued to explain incessantly to resolve misunderstandings, and finally took out three people and cut the ramen in the middle of the night, but it is unclear if there was any result.
